

Diabolik, Riva Vertigo 63

Diabolik, Riva Vertigo 63

Elegance, harmony, style. These are the most suitable adjectives for describing the Riva 63' Vertigo. Once again, Riva and Officina Italiana Design accepted the challenge of reinterpreting the "Open" creating a model on the borderline with the "coupé" concept. The resulting yacht features the style of all the yard's products. Innovative and different to its predecessors, this yacht features elegance and design. 63' Vertigo's aristocratic lines barely conceal its spirited character. The harmoniously slender profile is emphasised by the roll-bar design, creating a large open area to the rear of the cockpit, accentuating its gritty spirit. She can accommodate 4 guests in 2 suites. Base Naples.

Interiors: All areas on board are rationally managed, both exteriors and interiors; air conditioning throughout.

The interiors offer 2 suites for up to 4 guests: the full beam double bedded midship Owner's suite features large windows on the sea giving brightness to the room, TV, wardrobe and ensuite bathroom with separate shower; forward double VIP suite with TV, ensuite toilet and shower.

Astern separated crew cabin for 2 with independent access.

The salon features a large sofa facing the galley and the TV (please note that the salon sistership picture shows a dining table whilst Diabolik has a coffee table, same size but lower); a fitted out galley with oven, washmachine, refrigerator.

Exteriors : As a modern open motoryacht, Diabolik offers huge sunbathing areas with large mattresses either forward or astern. Diabolik has a generously proportioned cockpit hosting the wheelhouse and a dining table for 6 with settees. A comfortable stair gives access to the bathing platform. Modern design and details give greater character to this exclusive boat.

2018 refurbish: new exterior upholstery (astern sunpad and forward sunpad), new teak deck. Engines and generators: complete refit

4 Guests Crew of 2

Diabolik, Riva Vertigo 63
