TANANAI – Terranova Explorer 115’

Tananai was built in 2008 by Terranova Yachts, refitted in 2016 and constantly maintained to the high standards; sophisticated style and engineering were cared by Barracuda Yacht Design. Immaculate condition for Tananai, which overflows with character and offers a sense of purpose through her distinctive profile and "retrò" look inspired from the rounded corners and flowing line of the most stylish ship from the 1950's and 1960's periods. Tananai can accommodate up to 12 guests in 6 suites. Crew of 6 members.

Based in Rome but flexible for the whole West Mediterranean.

Stylish Tananai spreads out 4 decks, impressive leisure and entertainment facilities make her the ideal charter yacht for socialising and entertaining with family and friends thanks to her huge living space. She boasts an amazing open space provided with large windows offering a panoramic view. Tananai can accommodate 12 guests in 6 cabins: 1 Master Cabin on upper deck with ensuite facilities and cockpit view. The lower deck hosts: 1 full beam Queen VIP suite with private facilities plus 4 twin cabins. 6 crew members to ensure top service and a relaxed luxury yachting experience.

Plenty of relaxing and sunbathing spaces throughout Tananai on her three open bridges; accessing the sea is easy and comfortable through the bathing platform and the wide cockpit provides an ample shaded dining area. The third bridge is the best "chilling" sunbathing zone with Jacuzzi, wide mattresses and movable furnitures allowing to manage spaces on the guests' requirements basis.

Tananai can cruise at 10 kn/h burning 120 lt/hour
