TANANAI TERRANOVA 115

BASE: NETTUNO BY ROME

Tananaï was built in 2008 by Terranova Yachts, refitted in 2016 and constantly maintained to keep high standards; sophisticated style and engineering were cared for by Barracuda Yacht Design. The immaculate conditions overflow with character and offer a sense of purpose through her distinctive profile and "retro" look inspired from the rounded corners and flowing line of the most stylish ship from the 1950's and 1960's.
