---

LADY DB is a brand new Riva 88 Folgore, launched in April 2025. She represents the pinnacle of the new generation sportfly yachts: powerful, cutting-edge, and strikingly beautiful. Her design's magnetic appeal lies in the harmonious blend of past and present — combining advanced materials like carbon with timeless elements such as mahogany inlays and steel accents. With a breathtaking regal silver hull — a newly introduced Riva colour — LADY DB stands out as truly unique. She is equipped with zero speed stabilizers and a range of custom features throughout.

LADY DB has 4 staterooms and can accommodate up to 8 guests. A professional crew of 3 members will be looking after you and your guests during your luxury charter onboard.

LADY DB has refined decor throughout, with small details expertly crafted and elevated by beautiful accents of color, materials, and finishes.

The bright and spacious salon with its huge windows and distinctive architectural elements welcomes you as soon as you step out of the cockpit and into the main living area. The dining space is enclosed by a large, comfy white milk-colored "L"-shaped sofa, and a large table can seat up to eight guests.

The lower deck can sleep 8 guests in 4 staterooms:

The expansive full-beam amidship Owner's suite has a king size bed and offers a generous ensuite bathroom, spanning the full beam of the boat. The Owner's suite includes a very large walk-in wardrobe.

The forward VIP suite features a Queen size bed (170 x 200cm), is spacious with bright decor and comfortable amenities, an ensuite bathroom, and a wardrobe.

The port VIP suite has a Queen size bed (170 x 200cm) and is convertible into a Twin guest cabin (beds can be separated). It is likewise spacious and offers an ensuite bathroom and wardrobe.

The starboard Twin cabin also includes its own ensuite
