Flybridge

Spacious & Accessible

LUCE showcases Azimut's unmistakable Italian flair through sleek, contemporary and harmonious lines, while seamlessly integrating expansive panoramic windows in both the main salon and along the lower deck hull, flooding the interiors with natural light.

Every inch of deck space is thoughtfully designed, from the elegant aft dining area to the inviting lounge area on the foredeck, perfect for private relaxation. Unlike a traditional flybridge yacht, LUCE features a compact sport-fly, offering a secondary helm station and a small sunbathing area, enhancing visibility and outdoor enjoyment without compromising her dynamic profile.

Her spacious swim platform strengthens the connection to the sea, creating the ideal setting for waterside living.
